CALGARY **CFAC** ALBERTA

February 4, 1948

Mr. S. R. Morss
R3. Bradford, Mass.

Dear Sir:

We are very pleased to verify your report of reception of our station at twelve o'clock midnight MST, January 30th, 1948.

CFAC now operates on a power of 5,000 watts with a directional array consisting of two unequal height towers, one which is 435 feet and the other which is 176 feet.

Thank you very much for your kindness in writing.

Yours truly,
